### Catalogue

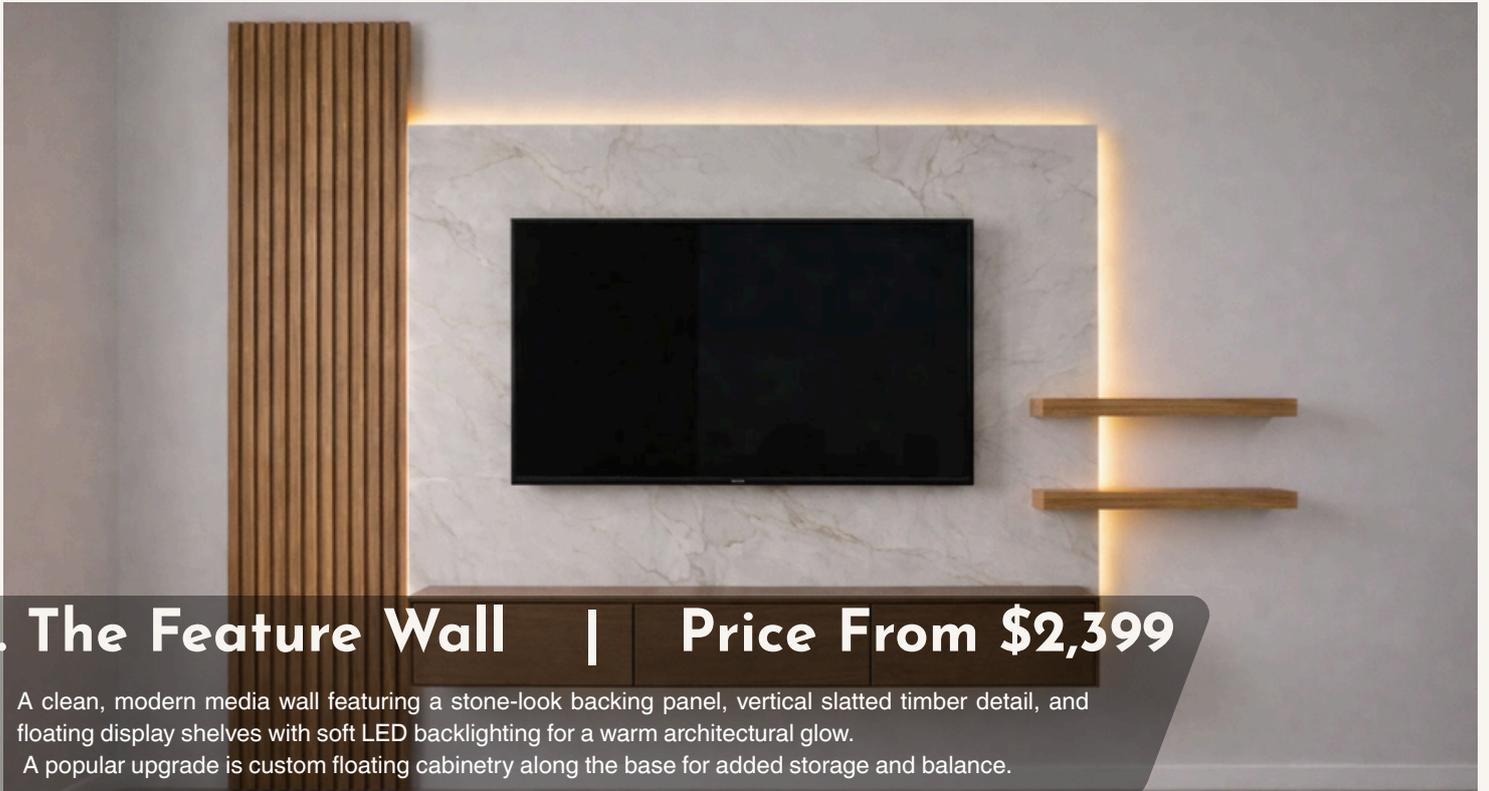

## 1. The Grand Panel | Price From \$5,299

A full-height statement media wall with feature paneling, marble-look centre, custom cabinetry, bulkhead lighting, and a wide electric fireplace for a refined, high-end finish.

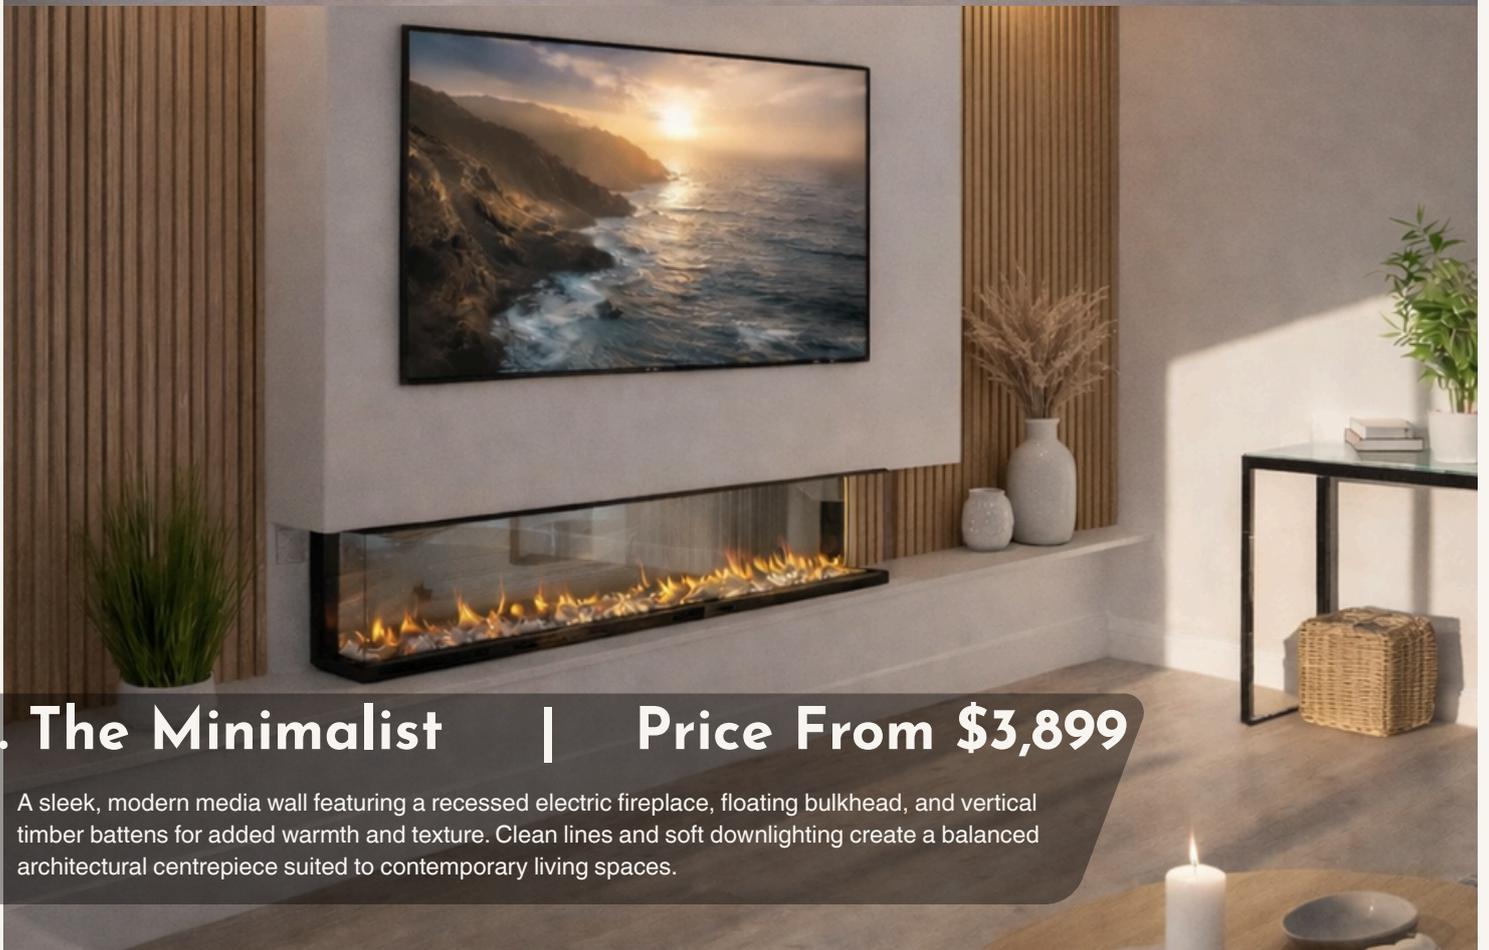

## 2. The Signature | Price From \$5,699

A full-height & Width feature media wall with integrated electric fireplace, clean symmetrical shelving, and seamless joins for a refined architectural finish. Includes your choice of LED strip lighting or recessed mini puck lighting to softly illuminate each display.

### 3. The Feature Wall | Price From \$2,399

A clean, modern media wall featuring a stone-look backing panel, vertical slatted timber detail, and floating display shelves with soft LED backlighting for a warm architectural glow. A popular upgrade is custom floating cabinetry along the base for added storage and balance.

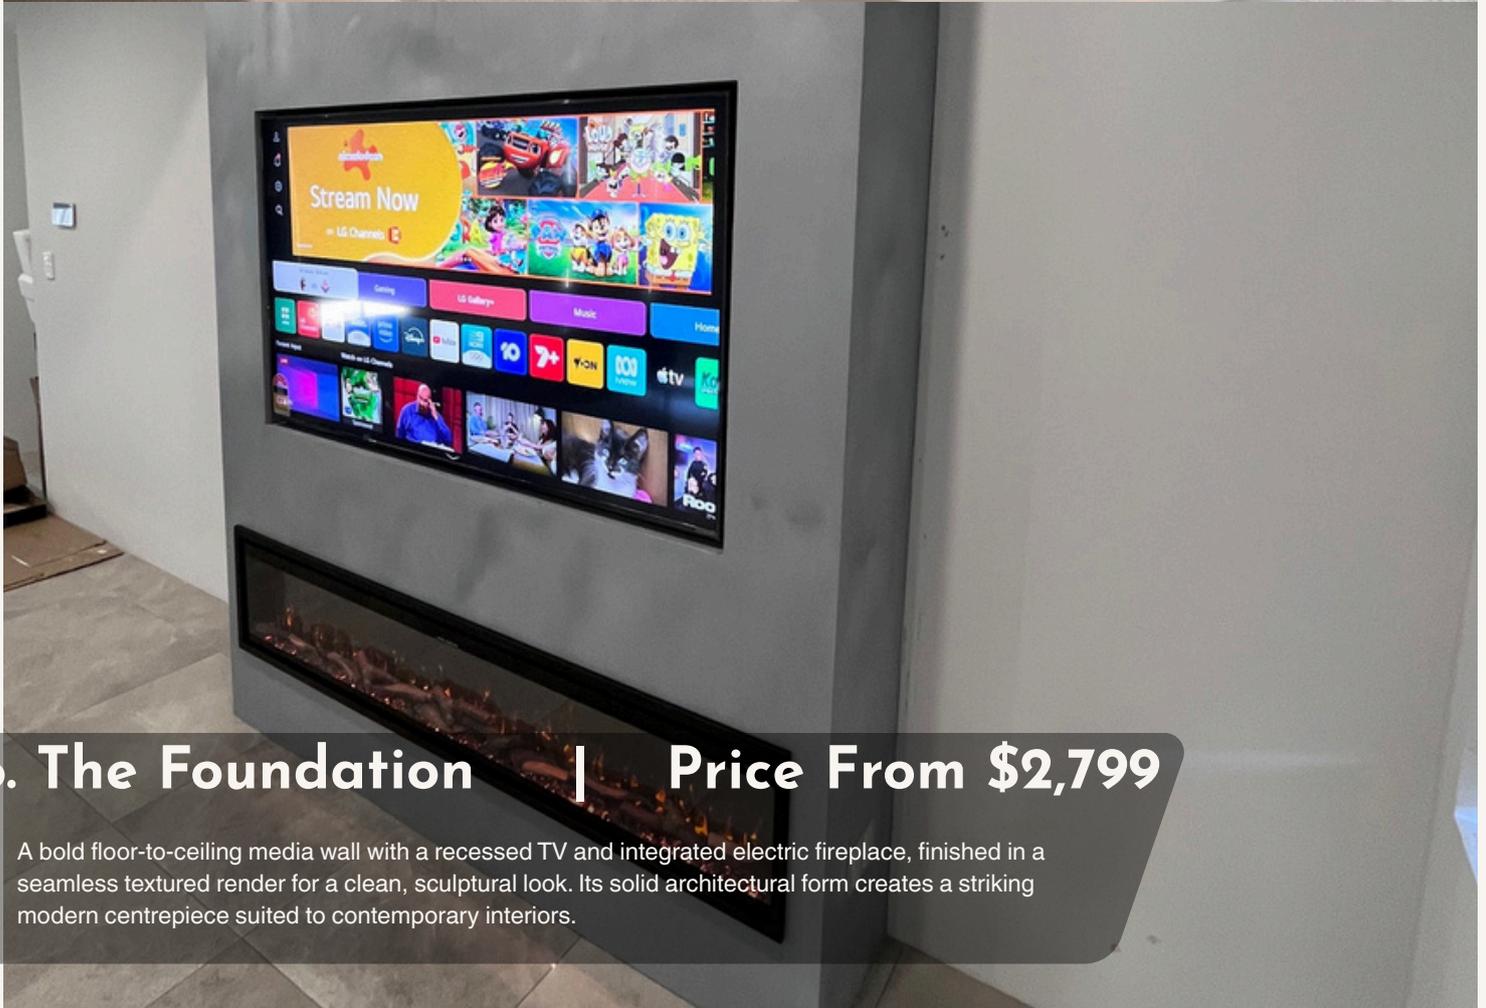

### 4. The Minimalist | Price From \$3,899

A sleek, modern media wall featuring a recessed electric fireplace, floating bulkhead, and vertical timber battens for added warmth and texture. Clean lines and soft downlighting create a balanced architectural centrepiece suited to contemporary living spaces.

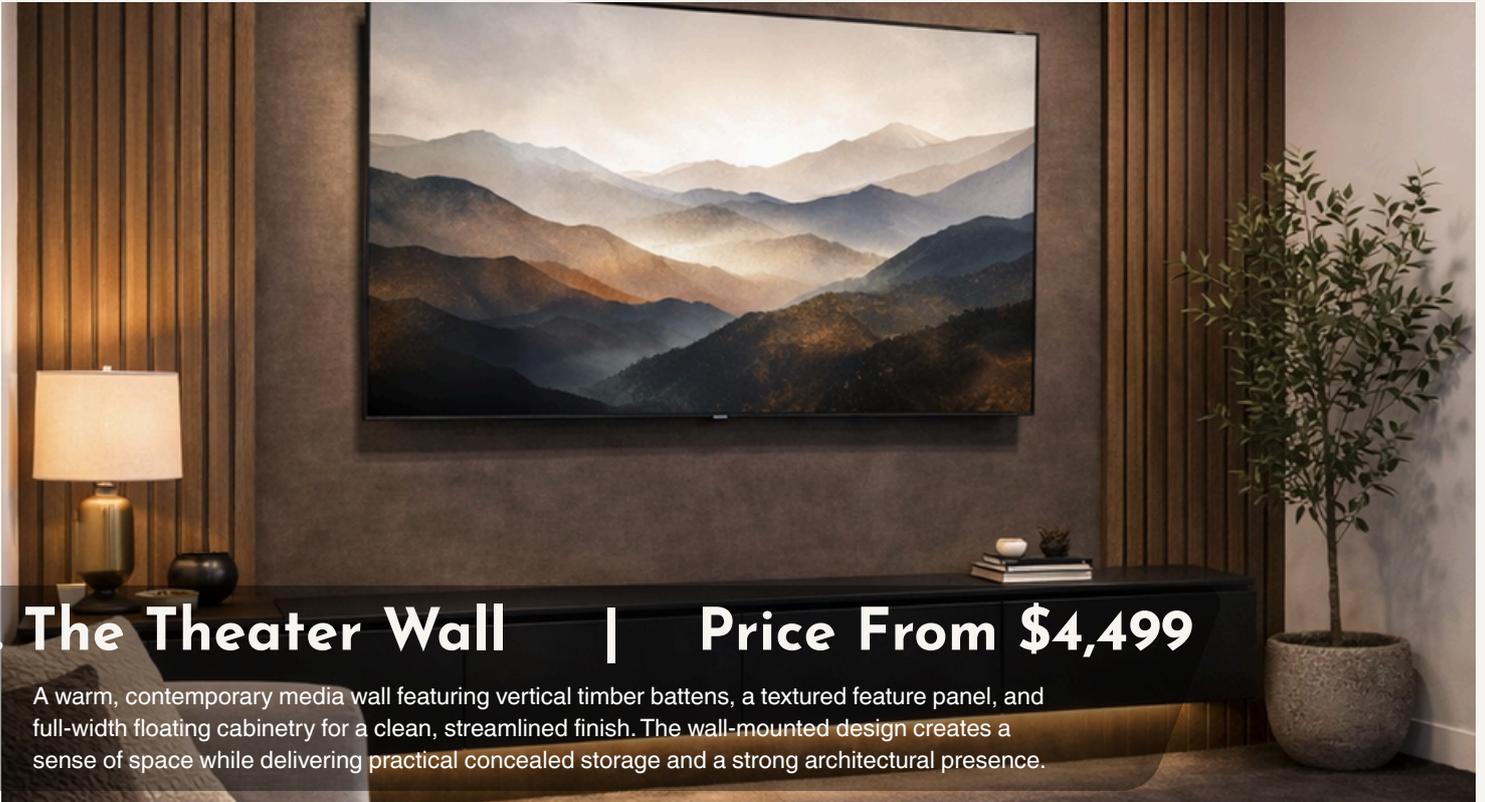

## 5. The Architectural | Price From \$6,399

A refined full-width media wall featuring an integrated electric fireplace, fluted backing panels, and symmetrical display niches. Warm LED feature lighting and an architectural bulkhead create depth, balance, and a soft ambient glow for a timeless, high-end finish.

## 6. The Foundation | Price From \$2,799

A bold floor-to-ceiling media wall with a recessed TV and integrated electric fireplace, finished in a seamless textured render for a clean, sculptural look. Its solid architectural form creates a striking modern centerpiece suited to contemporary interiors.

## 7. The Theater Wall | Price From \$4,499

A warm, contemporary media wall featuring vertical timber battens, a textured feature panel, and full-width floating cabinetry for a clean, streamlined finish. The wall-mounted design creates a sense of space while delivering practical concealed storage and a strong architectural presence.

## 8. The Classical | Price From \$4,799

A timeless full-height media wall featuring an integrated electric fireplace, symmetrical display niches, and custom base cabinetry for concealed storage. Clean lines and soft feature lighting create a balanced, elegant centerpiece suited to modern and traditional interiors.

## PUCK LIGHTS

Small recessed spotlights that provide focused illumination to highlight décor, shelving, and display areas while maintaining a clean, minimal look.

## LED STRIP LIGHTS

A continuous concealed light source that creates a soft, even architectural glow along shelves, panels, or bulkheads. Ideal for ambient feature lighting.

Your Choice

## Add-ons

- **Back Feature Panel | From \$800**  
Feature backing panelling behind the TV to introduce contrast, texture, and depth, transforming the media wall into a true architectural focal point.
- **TV Mounting & Bracket Supply | \$250 Supply & install**  
Supply and professional installation of a premium TV bracket with full cable concealment for a clean, flush finish.
- **Soundbar Supply & Installation | \$250 - \$400**  
Seamless soundbar integration with secure mounting, concealed wiring, and perfect alignment with the TV.
- **Screen-Syncing TV Backlighting | \$250**  
Smart reactive LED backlighting that syncs with on-screen colours to create an immersive viewing experience and a soft ambient glow behind the TV.
- **Additional Storage | Base Cabinets \$500 | Draws \$350**  
Extra base cabinetry or tower units designed to increase functionality while maintaining the overall balance and clean architectural look.
- **Electrical Provisions | From \$400**  
Additional concealed power points, data points, and HDMI conduits to suit gaming consoles, streaming devices, and future upgrades.
